

of a denial. Any allegation not denied shall be deemed to be admitted. A party who intends in good faith to deny only a part of or to qualify an allegation shall specify so much of it as is true and shall deny only the remainder.

(c) *Admitted allegations.* If a party filing an answer under this section elects not to contest any of the allegations of fact set forth in the notice, the answer shall consist of a statement admitting all of the allegations to be true. Such answer constitutes a waiver of hearing as to the facts alleged in the notice, and together with the notice will provide a record basis on which the presiding officer shall file with the Board a recommended decision in accordance with 5 U.S.C. 557. The recommended decision shall be served on the party, who may file exceptions thereto within the time provided in § 622.13.

(d) *Effect of failure to answer.* Failure of a party to file an answer required by this section within the time provided constitutes a waiver of the party's right to appear and contest the allegations in the notice and authorizes the presiding officer, without further notice to the party, to find the facts to be as alleged in the notice and to file with the Board a recommended decision containing such findings and appropriate conclusions. The Board or the presiding officer may, for good cause shown, permit the filing of a delayed answer after the time for filing and the answer has expired.

#### § 622.6 Opportunity for informal settlement.

Any interested party may at any time submit to the Board for consideration written offers or proposals for settlement of a proceeding, without prejudice to the rights of the parties. No offer or proposal shall be admissible into evidence over the objection of any party in any hearing in connection with such proceeding. The foregoing provisions of this section shall not preclude settlement of any proceeding through the regular adjudicatory process by the filing of an answer as provided in § 622.5(c), or by submission of the case to the presiding officer on a stipulation of facts and an agreed order.

#### § 622.7 Conduct of hearings.

(a) *Authority of presiding officer.* All hearings governed by this subpart shall be conducted in accordance with the provisions of chapter 5 of title 5 of the United States Code. The presiding officer designated by the Board to preside at any such hearing shall have complete charge of the hearing, shall have the duty to conduct it in a fair and impartial manner and shall take all necessary action to avoid delay in the disposition of the proceeding. Such officer shall have all powers necessary to that end, including the following:

(1) To administer oaths and affirmations;

(2) To issue subpoenas and subpoenas duces tecum, as authorized by law, and to revoke, quash, or modify any such subpoena;

(3) To receive relevant evidence and to rule upon the admission of evidence and offers of proof;

(4) To take or cause depositions to be taken;

(5) To regulate the course of the hearing and the conduct of the parties and their counsel;

(6) To hold conferences for the settlement or simplification of issues or for any proper purpose; and

(7) To consider and rule upon, as justice may require, all procedural and other motions appropriate in a proceeding under this subpart, except that a presiding officer shall not have power to decide any motion to dismiss the proceeding or other motion which results in a final determination of the merits of the proceeding. This power rests only with the Board. Without limitation on the foregoing, the presiding officer shall, subject to the provisions of this subpart, have all the authority set forth in 5 U.S.C. 556(c).

(b) *Prehearing conference.* The presiding officer may, on his or her own initiative or at the request of any party, direct counsel for all parties to meet with him or her at a specified time and place prior to the hearing, or to submit suggestions to him or her in writing, for the purpose of considering any or all of the following:

(1) Simplification and clarification of the issues;
